

*I'll tell you something  
of the forbidden horrors  
she led me into  
something of the age-old horrors  
that even now are festering  
in out-of-the-way corners  
with a few monstrous priests to keep them alive.  
Some people know things about the universe  
that nobody ought to know,  
and can do things  
that nobody ought to be able to do.*
